Affectionate greetings from Honavar.

These few lines come with utmost gratitude for all the love, care and concern you show to our flood affected people. Your kindness in these eventful days has been such a comfort to our people and a source of encouragement to us to reach out to them in their helplessness.

From the time I have communicated to you seeking help for this cause, you have shown boundless generosity and that too, so promptly! I join my hands in gratitude and thank and praise God for His Mercies and Love during these challenges. We remain grateful for your prayers and acts of compassion.

Your support and goodwill enable us to distribute food supplies, household items, medical care, school kits and school uniforms to families and children of the target areas. Our deep appreciation for all your efforts in the service of the needy people in this mission. May the Lord bless you all in manifold.

Thanking you and assuring you of our prayers always,
